IMAGINE CHANCELLOR PARENT UNIVERSITY

Security Safeguards and Communication

Security Safeguards

- Google Classroom and Apps for Education used to streamline single-sign on and ensure security online
- Only users with imagine-chancellor google username can access the classroom
- Secure link can be sent by teacher to access the Zoom link for all other users
- Children's Internet Protection Act (CIPA) requires the school to monitor and supervise students and staff use of technology
- GoGuardian is utilized by all teachers to enhance instruction and monitor students online to ensure safety

Zoom Video Conferencing

Zoom Meet Security Features	
Protects both student and teacher privacy	✓
Complies with COPPA, FERPA, & HIPAA regulations	✓
Every Meeting ID makes it difficult for someone to join the meeting that is unauthorized and only accessible through imagine-chancellor account in google classroom	✓

Go Guardian Online Monitoring

Provides teacher with student's computer screen to assist with instruction	✓
Monitors student searches and browsing for inappropriate content	✓
Teachers & admin are alerted when a student is searching inappropriate topics or topics that relate to at-risk behavior or depression. Parents will have access to these reports.	✓
